

Hi Rob,

I apologize for the delay in getting back to you, but I am more than happy to provide a testimonial for the 10-20-30 program. Please see below:

The 10-20-30 Project is an instrumental program in developing lifelong community ambassadors in young athletes. By fostering leadership, teamwork, and volunteerism, the program inspires youth to understand not just *how* to give back, but *why it matters*. I truly believe this work is shaping a generation of engaged, compassionate, and driven young leaders who will cultivate stronger, more connected communities throughout their lives.

Please let me know if you need anything else from me, and I look forward to seeing all the successes of the 10-20-30 project to come!

With gratitude,

Eleandra Craven
